Re: Notice of File Closure for Small Mining Activities, Black Gold Project, S/027/041, Millard County, Utah

Dear Mr. Johnson:

This letter is to notify you that file #S/027/041, for the Black Gold project, located in Millard County, Utah, will be retired from our files.

The BLM recently inspected the project area and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for completing the required reclamation on this project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Munson'.
